maharam

Environmental
Greenguard Gold Certified
LBC Red List Free
Contains Bio-Based Content
FR Free
Free of Intentionally Added PFAS

Brief
Endless City is based on several photographs Alfred took while traveling through Japan by train in the summer of 2015. It was initiated as a large-scale painting and then recreated as a digital drawing. Alfred renders a dense, panoramic cityscape using flattened planes of color that at once capture both the specificity and anonymity of an urban environment.

Warranty
3 years.
