Environmental

Greenguard Gold Certified

LBC Red List Free

Contains Bio-Based Content

FR Free

Free of Intentionally Added PFAS

Brief

Endless City is based on several photographs Alfred took while traveling through Japan by train in the summer of 2015. It was initiated as a large-scale painting and then recreated as a digital drawing. Alfred renders a dense, panoramic cityscape using flattened planes of color that at once capture both the specificity and anonymity of an urban environment.

Warranty

3 years.
